REQUEST FOR PAIR CORRECTION

The US Patent and Trademark's PAIR incorrectly indicates that the above referenced application is a National Stage Entry of PCT/CH02/00150. This is incorrect. It should show that the above referenced application is a National Stage Entry of PCT/CH02/00150. It is believed that all documents that have been filed show this application to be the National Stage Entry of PCT/CH02/00150.

As a supporting document, attached is a copy of the "Declaration for Utility or Design Patent Application", which was filed with US National Stage Application 10/527,897 on September 19, 2003, and shows the above referenced application is the National Stage Entry of PCT/CH02/00150. Also attached is a copy of the cover sheet of PCT/CH02/00150 as published by WIPO. It is believed that both of these documents are already on file with the USPTO in US National Stage Application 10/527,897.

Based on the above information, the attachments filed herewith, and the contents of the USPTO's file for US National Stage Application 10/527,897, it is respectfully requested that PAIR be corrected to show that the above referenced application is the National Stage Entry of PCT/CH02/00150.
